

Squash Report 2024 AGM

We ran two successful tournaments this year - one senior (Otaki Summer Open) and one junior (HEAD Series).

Members continue to prefer casual hits with others rather than take part in competitions or interclub, most likely due to travel. A local competition/league/business house would be a wonderful solution!

Club nights, junior, senior and women's nights have been run, but we struggled for numbers. Perhaps it would be best to go back to the combined format in previous years where we ran with Kapiti and Levin. Appreciate Adam's enthusiasm to help get squash club night back up and running!

The HEAD Series is a great series for juniors that takes place once a month on Sunday, at clubs around Wellington. It is a super, friendly, encouraging atmosphere and any squash juniors we have will be encouraged to play! Presently, we have one junior playing, next year we will have 2.

Happy squashing,

Hannah Grimmett
